

REPAIR DAYS 2024 VOLUNTEER SCHEDULE

Thank you for volunteering for Repair Days 2024! We are so excited to see you. Please look closely at the schedule below. The Metal Museum team recommends taking a photo of each day's schedule and setting it as the background on your phone. You can also set alarms for the different events you cannot or do not want to miss.

****ATTENTION: If you do not attend your area(s) safety walk through in the morning and receive your sticker, you must wait till the following day to volunteer.****

*You must only attend mandatory events **once** during your time here.*
